About Rob Mehl

"...THE COFFEE COMES FROM KONA, THE SONGS COME FROM THE SEA!" Nominated the last two years for the Trop Rock Music Award as Best Male Vocalist, Album & Song of the Year, winner of the Song Of The Year award for his "Waiting For Jimmy", a native of Oceanside, CA, Rob Mehl spent most of his youth bouncing back and forth between Southern California and Hawaii, where he learned how to surf, appreciate classic literature and play music. His father was a radio DJ, so Rob was exposed to a wide variety of musical influences, including Hawaiian storytelling songwriters, jazz artists and pop music. These influences melded together and found their voice in Rob's mellow, folk-style beach ballads. Like Jack Johnson and Donovan Frankenreiter, Rob found that surfing in warm waters for most of his life has influenced his music and defined his sound... and his love of great literature has informed his lyrics. After 8 albums and countless miles playing his music all over, Rob was honored this past November for the "Song Of The Year" at the 2011 Trop Rock Music Awards in Key West... and now he's bringing his audience friendly, feel good show.

Rob has recorded 8 cd's (available on iTunes and at CD Baby) that can be heard regularly on selected internet radio stations around the world. He also has a live concert DVD. For more information, you can visit his website at www.robmehl.com, email him at robmehl@cox.net, or find him on Facebook. Be sure to visit our Events page for some samples of his music.

Acoustic beach ballads with a hint of jazz, Rob Mehl plays guitar and ukulele, tells stories between songs, and thinks the audience "splash zone" should reach all the way to the back row!

What is Club Gerz?

"Club Gerz" is just the name we chose to describe our Trop Rock house concerts. These concerts are NOT a business nor business-related activity. They are strictly a hobby for us, simply gatherings of our friends, neighbors and guests to enjoy live music, fellowship, food and fun. The only cost for our house concerts is a donation to the artist. We suggest \$15-\$20 per person, but you determine the value you receive. All contributions go directly to the performers.

Ultimately "Club Gerz" is our (Mike & Merry Gerzema) backyard... or house if the weather doesn't cooperate. Because of our love of Trop Rock music we are opening our home as a venue to help out artists traveling through the area. All you need to bring is a lawn chair and the beverage of your choice. If you'd like, you can bring a munchie or dessert to share. Of course, some cash to share with the artist is encouraged and they often will have CDs and some "swag" for sale as well.

What is a House Concert?

A house concert very simply defined is a musical event presented in someone's home or another small space such as a backyard or community meeting room. It has been described as "Music as it should be...in the home, from the heart." Music has always been an enriching experience and house concerts certainly have occurred for thousands of years. Sometimes it was just families getting together to share some music and fun and other times a few neighbors would drop in and share the experience. Folk, country, and blues music have long histories of performances at people's homes and backyards. Those musical traditions have continued and expanded to today.

Some of today's most inspiring artists often perform in half-empty rooms of distracted customers, while competing with televisions and the noise of constant conversation. Then they go home with a tiny percentage of bar sales. House concerts create a wonderful opportunity for artists to perform in an environment they deserve while providing music fans a chance to experience these great artists in a way they never dreamed of.

House concerts are different than house parties. They are an opportunity to introduce some wonderful singer/songwriters to an audience in a setting where people are gathered to focus on music. The performance, the story, the story behind the story, an opportunity to get up close and personal with the artist.

Trop Rock artists have recently embraced house concerts as a method to make touring plausible and to reach audiences they otherwise would not be able to.

What is "Trop Rock"?

Tropical Rock, commonly referred to as "Trop Rock," is a musical genre that blends numerous musical influences including Rock, Reggae, Blues, Country, Swing, Beach, Zydeco, Caribbean and Latin with island/tropical instrument arrangements and song themes that represent a way of life that is relaxing and exotic. Although Trop Rock has its roots in the beach music scene of the 60's, Jimmy Buffett is often credited as putting Trop Rock "on the map". Crossover music stars like Jerry Jeff Walker, Kenny Chesney, Jack Johnson and The Zac Brown Band have brought the Trop Rock music genre to the mainstream public, resulting in a growing popularity that has opened the door for a whole new generation of island-inspired musicians.

Sometimes called Buffettesque, Gulf & Western, or Cari-Billy, evangelists like the members of the Trop Rock Music Association (fka "The Margarita M.A.F.I.A.") have been working to create a single identity for the genre under the label of "Trop Rock" going as far as establishing the "Trop Rock Music Awards." The TRMA is made up of artists, DJ's, club owners and music lovers that have joined together to support and promote the Trop Rock style of music.

The advent of the Internet and internet radio have been a boon to many niche musical genres, and Trop Rock is no exception. Jimmy Buffett's Radio Margaritaville began as an Internet only radio station and has now migrated to Sirius XM Radio. Another example is the Trop Rock station of the year, BeachFront Radio. Trop Rock outlets continue to expand both on and off the Internet as demand grows and with them the

opportunities for artists.

We invite you to enjoy our guest artists, explore these resources, listen to the music, and you just might find yourself in a "happy place" you never want to leave! So, pour yourself a boat drink, pull up a deck chair and settle down under that palm tree and let the waves of music wash over you.
