## Randy's Bio

RANDY Z is one of the most talented and unique musicians in the acoustic music genre! He has been performing professionally for many years in Pennsylvania, as well as Connecticut, Minnesota, Wisconsin and points on the east coast from Ontario to Florida. Last fall he completed his third successful Midwest tour playing to audiences in Columbus, OH, Chicago, the Twin Cities, Omaha and Denver. This past winter he performed throughout Florida from Orlando and Cocoa Beach on the east coast, Tarpon Springs, Tampa, Sarasota, Siesta Key and Fort Myers on the west coast and through the Keys including Key West.

Randy has performed in full bands as a bass player, rhythm and lead guitarist on acoustic and electric guitars, as well as lead vocalist. He has also performed in acoustic trios, duos and solo. Randy incorporates various techniques into his guitar performance....he's not just a strummer! He uses state of the art technology to record live loops and plays lead, slide and harmonica over them.

Randy is once again playing solo after retiring from the nationally acclaimed duo of Tropical Soul where he had the pleasure and great privilege to play and record with members of Jimmy Buffett's Coral Reefer Band.....and even opening for Jimmy in Key West in 2002.

Check him out at [www.randyzmusic.com](http://www.randyzmusic.com) and at [www.reverbnation.com/randyz](http://www.reverbnation.com/randyz). The website is geared towards Trop-Rock music fans and Parrot Heads as he has a following within that group and plays for them regularly across the country. Many of the songs have a "summery" theme, however, he has a catalogue of over 200 classic rock, pop, traditional blues, classic country, folk and original songs that he can pull from for any occasion. Randy contours every performance to his audience....some folks want to hear originals; but most want songs they are familiar with and know.....he just wants them to be happy!

## What is Club Gerz?

"Club Gerz" is just the name we chose to describe our Trop Rock house concerts. These concerts are NOT a business nor business-related activity. They are strictly a hobby for us, simply gatherings of our friends, neighbors and guests to enjoy live music, fellowship, food and fun. The only cost for our house concerts is a donation to the artist. We suggest \$15-\$20 per person, but you determine the value you receive. All contributions go directly to the performers.

Ultimately "Club Gerz" is our (Mike & Merry Gerzema) backyard... or house if the weather doesn't cooperate. Because of our love of Trop Rock music we are opening our home as a venue to help out artists traveling through the area. All you need to bring is a lawn chair and the beverage of your choice. If you'd like, you can bring a munchie or dessert to share. Of course, some cash to share with the artist is encouraged and they often will have CDs and some "swag" for sale as well.

### **What is a House Concert?**

A house concert very simply defined is a musical event presented in someone's home or another small space such as a backyard or community meeting room. It has been described as "Music as it should be...in the home, from the heart." Music has always been an enriching experience and house concerts certainly have occurred for thousands of years. Sometimes it was just families getting together to share some music and fun and other times a few neighbors would drop in and share the experience. Folk, country, and blues music have long histories of performances at people's homes and backyards. Those musical traditions have continued and expanded to today.

Some of today's most inspiring artists often perform in half-empty rooms of distracted customers, while competing with televisions and the noise of constant conversation. Then they go home with a tiny percentage of bar sales. House concerts create a wonderful opportunity for artists to perform in an environment they deserve while providing music fans a chance to experience these great artists in a way they never dreamed of.

House concerts are different than house parties. They are an opportunity to introduce some wonderful singer/songwriters to an audience in a setting where people are gathered to focus on music. The performance, the story, the story behind the story, an opportunity to get up close and personal with the artist.

Trop Rock artists have recently embraced house concerts as a method to make touring plausible and to reach audiences they otherwise would not be able to.

### **What is "Trop Rock"?**

Tropical Rock, commonly referred to as "Trop Rock," is a musical genre that blends numerous musical influences including Rock, Reggae, Blues, Country, Swing, Beach, Zydeco, Caribbean and Latin with island/tropical instrument arrangements and song themes that represent a way of life that is relaxing and exotic. Although Trop Rock has its roots in the beach music scene of the 60's, Jimmy Buffett is often credited as putting Trop Rock "on the map". Crossover music stars like Jerry Jeff Walker, Kenny Chesney, Jack Johnson and The Zac Brown Band have brought the Trop Rock music genre to the mainstream public, resulting in a growing popularity that has opened the door for a whole new generation of island-inspired musicians.

Sometimes called Buffettesque, Gulf & Western, or Cari-Billy, evangelists like the members of the Trop Rock Music Association (fka "The Margarita M.A.F.I.A.") have been working to create a single identity for the genre under the label of "Trop Rock" going as far as establishing the "Trop Rock Music Awards." The TRMA is made up of artists, DJ's, club owners and music lovers that have joined together to support and promote the Trop Rock style of music.

The advent of the Internet and internet radio have been a boon to many niche musical genres, and Trop Rock is no exception. Jimmy Buffett's Radio Margaritaville began as an Internet only radio station and has now migrated to Sirius XM Radio. Another example is the Trop Rock station of the year, BeachFront Radio. Trop Rock outlets continue to expand both on and off the Internet as demand grows and with them the opportunities for artists.

We invite you to enjoy our guest artists, explore these resources, listen to the music, and you just might find yourself in a "happy place" you never want to leave! So, pour yourself a boat drink, pull up a deck chair and settle down under that palm tree and let the waves of music wash over you.

***It's a rhythm and a sound and an attitude, and it's bound to be fun.***
